<b>STEP 1</b>	Type or print the name and address in the space provided. Individual/Joint returns must include social security number and, if applicable, spouse's social security number in the space provided. Social security numbers are required pursuant to the authority granted by 42 USC section 405.																		
<b>STEP 2</b>	Entity type. You must check only one box. If a fiduciary or partnership, enter the percentage of ownership by New Hampshire residents.																		
<b>STEP 3</b>	Check the appropriate box, if any, of the questions which apply to this return and enter the information requested. The amended return box has been prefilled to indicate a Report of Change.																		
<b>STEP 4</b>	Complete PAGE 2 of the return. See PAGE 2 Instructions.																		
<b>STEP 5</b>	To figure your net taxable income, complete lines 6 through 10. For Individual/Joint filers ONLY, if line 8 is zero, you are not required to file a return. Please check the box under line 8 and submit the return so that we can remove you from our mailing list. If your filing requirements change, please contact the Department of Revenue Administration.																		
<b>STEP 6</b>	Figure your Interest & Dividends Tax by multiplying line 10 by 5%. Enter the tax on line 11.  Calculate the tax due by subtracting your payments [line 12(a) through 12(d)] from the tax you calculated (line 11) Enter the remainder balance of tax due on line 13.  Figure your penalties, if any, as follows: (a) Interest is calculated on the balance of tax due (line 13) from the original due date to the date paid at 15% prior to 1998. Interest due is the tax due x number of days x .000411.) Contact the department for applicable rates in other years. (b) A penalty equal to 10% of any nonpayment or underpayment of taxes shall be imposed if the taxpayer fails to pay when the tax is due. (c) The late filing penalty is 5% of the tax due (line 13) for each month or part thereof for which the return is filed beyond the due date. The total amount shall not exceed 25% of the tax due. Calculate this penalty starting from the original due date of the return until the date a complete return has been filed. (d) If line 11 is more than \$200 you may have been required to file estimated payments during the tax year. To calculate your penalty for nonpayment or underpayment of estimates or to determine if you qualified for an exemption from filing estimate payments, complete Form DP-2210/2220 which may be obtained by calling (603) 271-2192. Enter the total of lines 14(a) through 14(d) on line 14. <b>NOTE:</b> Taxpayers who substantially understate their tax on line 13 may be assessed a penalty by the Department in the amount of 25% of any underpayment of the tax resulting from such understatement. A substantial understatement is one which exceeds the greater of 10% of the amount of tax (line 13) or \$5,000.																		
<b>STEP 7</b>	If your Interest & Dividends tax (line 11) plus interest and penalties (line 14) is greater than your payments (line 12), then enter on line 15 your balance of tax due. If less than \$1.00, do not pay but still file the return. Make check or money order payable to: State of New Hampshire. Payment must accompany the return; HOWEVER, PLEASE ENCLOSE, BUT DO NOT STAPLE OR TAPE, YOUR PAYMENT WITH THE RETURN. To ensure your check is credited to your account, please put your social security or federal employer identification number on the check.  If your total tax (line 11) plus interest and penalties (line 14) is less than your payments (line 12), then you have overpaid. Enter the overpayment amount on line 16.  The taxpayer has an option of applying any part of the overpayment or the total amount of the overpayment as a credit on next year's return. Enter the desired credit on line 17(a). The remainder, which will be refunded, should be entered on line 17(b). If line 17(a) is not completed, the entire overpayment will be refunded. Please allow up to 12 weeks for the Department to process the refund.

If you paid a preparer to complete this return, then the preparer must also sign and date the return.
